# April News

2024

## What's Happening This Month

- I can't believe it is already April!! We are so happy to have warmer weather. I hope all of you had a wonderful Easter and spring break! Thank you to everyone who met with me for parent/teacher conferences last month. Your children have been working so hard and have come a long way since September. Kindergarten registration is happening now, just contact your elementary school to find out their exact process. We celebrated being in school 100 days and had a day full of activities and fun. This month we will be learning about the weather, plants and flowers, butterflies, and the importance of recycling. Spring pictures are also the week we return. Please remember to have your children wear tennis shoes at school and bring a light sweater if they are cold natured.

## A Peek At What We Are Learning

Letters: Aa, li, Tt, Jj

Shape: Diamond

Colors: Purple

Bible: Ascension, Jesus Loves the Children Zacchaeus & The Lost Sheep,

Culture: Australia

We only have four more letters until we have covered the entire alphabet!! Once we finish these we will go back and review past letters and also work on some lower case letters. In cultural studies we will be talking about the country of Australia! We will discuss many of their wild animals and the Great Barrier Reef. Look for information about an upcoming recycling project to do together as a family. Congratulations to Allison!! She is our classroom winner for reading the most books during DEAR.
