

Thank you everyone for participating in **DEAR**(Drop Everything And Read). You all read so many books, and what is better than cuddling up with your little one and reading a book!! Thank you also parents for setting time aside for our spring conferences. It was great to talk with you about your wonderful child.

I appreciate everyone for sending in Easter eggs for our egg hunts! The children enjoy this so much. I hope all of you have a wonderful Easter and enjoy family time over break.

This Month
