### **Week 4**

STORY: Lost Sheep

VERSE: "Come and celebrate with me for I have found my lost sheep." Luke 15:1-7

## Butterflies, Earth Day and Planting

You did so well making time to read with your child during DEAR last month. They read an impressive amount as a class! Thank you for your support. I hope they learned how much fun reading can be ☺.

This month we'll be learning about Spring and all the wonderful things that come with the season like butterflies, caring for our earth and planting seeds. The kids will learn the butterfly life cycle and the life cycle of a sunflower plant. We'll get to watch real caterpillars turn into butterflies and then release those butterflies in our church garden! It's such a fun time for the kids! Each student will also create a recycle project with you.

Information was sent home explaining the project. I hope you all have fun working on it together.

## Looking Ahead

I spoke with all of you at conferences about this but please remember my last day is Monday May, 20 but Mrs. Smith will be teaching the class. I'm so sorry to be missing the end of year program. I know it will be wonderful!

April 1-5 Spring Break. School is closed.

Tuesday, April 9 Picture Day

Monday, April 15 Recycle Projects due

Thursday, April 25 Field Day! Please make sure your child wears sneakers this day.

May 13-16 Spirit Week. More details on each dress up day will be sent home as we get closer.

Thursday, May 23 Last day of school and End of Year Program, 7pm. More details will be sent home as we get closer.

## Reminders

With the warmer weather your children are drinking a lot more water. Please make sure their water bottles are full each day because our water fountains are not in use and I can't send them to the bathroom on their own to fill up their bottles. Thank you!
