

April Newsletter

It's hard to believe we're already into April! We can't wait for warmer weather with no jackets, gloves, and hats! I know everyone is looking forward to our Spring Vacation.

I wanted to say "thank you" to all my parents who took the time to meet with me concerning your children at the parent/teacher conferences. You are very much invested in their future and this warms my heart!

The Kindergarten registration for Chesterfield County is online. Please continue to practice the letters, shapes, counting and numbers with them at home. Make a game out of it and have some fun. Being positive makes children feel so good about themselves. I know they will do great!

I never knew how much my kids love to read! Our numbers on our socks have gone up and up! They have enjoyed adding the numbers each week. The D.E.A.R. program has been very successful.

We will be celebrating Earth Day the week of April 22nd. I hope your student will have fun with their Earth day projects!

As always, “Thank you” for sharing your children with me!
Mrs. Lesyk
