### Other Notes

Thank you for taking the time to discuss your child's progress at our conference. We are so thankful to have such supportive parents and sweet students who have shown so much growth! Thank you for your help with DEAR. Students learned that reading helps them grow, learn, and is quite fun! Please continue reading to your child, as it plays an important role in later reading success.

This month, we are reviewing concepts taught before Easter break, and we will study dinosaurs, and Police Officers. We will learn about the penny and count up to 10 pennies, match pictures of opposites (big/little, cold/hot, empty/full, happy/sad), continue holding scissors with thumb pointing up at the "sky," identify ordinal position (first and last) Thank you for sharing your precious little ones with us!
