

# MRS. STUDER & MRS. LOUTHAN'S THREES CLASS

## APRIL NEWSLETTER

### THIS MONTH

Thank you for taking the time to discuss your child's progress. We are so thankful to have such supportive parents and sweet students who have shown so much growth! Thank you for your help with DEAR. Students learned that reading helps them grow, learn, and is quite fun! Please continue reading with your child, as it plays an important role in reading success. Students are beginning to hear rhyming words in books, and they love making up silly rhymes too!

This month, we are reviewing concepts taught before Easter Break, and will study Spring, Easter, Dinosaurs, and Police Officers. We will also plant seeds this month, water them, and observe plant growth. We will learn about the penny and count 10 pennies, match pictures of opposites (big/little, cold/hot, empty/full, happy/sad), and identify ordinal position (first and last). We are continuing to work on our cutting skills. (Thumbs up, Line it up, and cut cut up. Turn the paper, not the scissors. "No chicken wings!") We will also continue to review and learn our letters, focusing on uppercase identification, sound, and writing of the letters W and X.

### IMPORTANT DATES & REMINDERS
