**Alphabet flash cards with pictures of objects

**Using their daily letter books or alphabet charts by which a child has to sound out the letter.

Oral Languages

***Listening a story and then drawing a picture to go with the story.

Reading and Writing

***Continue during Circle time, talk about who wrote the book, where do you start reading a book.....

Math

**Working on numbers

**Continue practicing counting

**Identifying quarters and separating them from different coins.

***Continue the money game to earn 25 cents or a quarter, depending on how many types of coins you are using. Each child takes a turn rolling the dice and gets the same number of pennies as the number showing on the top of the dice. Then reverse the game and have the student take away the amount on the dice. Then trade in the pennies for quarters.

***Using large rolled white paper, trace the students and have them measure their arms, legs, etc.

***Simple game with dice, play Hi-Ho Cherry-o

Science and Nature

**Discussing the importance of recycling for our earth.

Culture class

**Our new country will be Australia. We will be studying their beautiful wild life including the Great Barrier Reef.

Time and Space

**Using a peg board, call out different columns to find hidden items.

**Using maps have the student find their town, state, and country.
